INCREASE PATIENT COMPLIANCE & BOOST YOUR BOTTOM LINE WITH FLAVORx

With the FLAVORx Veterinary system, you and your staff can quickly and easily turn pet medications into easy-to-swallow, flavored liquid treats. It's a great enhancement to your existing pharmacy business. The powerful new Digital Flavorist software walks you through the entire process. Just enter in the patient's species, weight, drug and dosing requirements. The Digital Flavorist does all the necessary calculations for you. Just follow the step-by-step recipe and you'll provide customers with a tasty prescription their pets will absolutely love.

THE BEST PART?

You're increasing patient compliance and bringing in a new stream of revenue for your practice. The best performing clinics flavor 10 to 15 times a day. That quickly adds up to a great new source of income for your practice. Thousands of veterinary clinics across the country use FLAVORx to promote better compliance with prescription regimens and grow their business. Here's what a few of them have to say:

"Flavoring medications within the animal world is a huge blessing. Thank you so much for your wonderful service!"
– Chenango Animal Hospital, Binghamton, NY

*"I love this product. It works well for our practice.
We enjoy having the opportunity to make medicine administration easier."*
– Coventry Animal Hospital, Pottstown, PA

"We think it's great, especially for exotics. We have had quite excellent results, increased profits, kept medications (and refills) in-house and provided better and broader patient care through our use of FLAVORx"
– Arlington Heights Animal Hospital, Fort Worth, TX
